

OverDrive ebook downloading instructions

When a patron wants to read an ebook on a mobile device, there are two ways they can read it. One way is reading it in a browser. The patron needs to go to eBCCLS or eLibraryNJ and sign into their account.

Then go to their bookshelf (by clicking account)

Then click read in browser and it will open in a new tab or window.

The image shows a screenshot of the OverDrive website interface. On the left, there is a book cover for 'Mortal Heart' by Robin LaFevers. To the right of the cover are two main buttons: a blue 'Download (Select one format)' button and a red 'Read (In your browser)' button. Below these buttons, it says 'Expires in 4 days' and a 'Return Title' button. The bottom half of the image shows a browser window displaying the book's details page. The page title is 'Mortal Heart: His Fair Assassin Trilogy, Book 3 by Robin LaFevers'. The description reads: 'In the powerful conclusion to Robin LaFevers' New York Times bestselling His Fair Assassins trilogy, Annith has watched her gifted sisters at the convent come and go, carrying out their dark dealings in the name of St. Mortain, patiently awaiting her own turn to serve Death. But her worst fears are realized when she discovers she is being groomed by the abbess as a Secress, to be forever sequestered in the rock and stone womb of the convent. Feeling sorely betrayed, Annith decides to strike out on her own. She has spent her whole life training to be an assassin. Just because the convent has changed its mind, doesn't mean she has.' At the bottom of the page, there is a 'Start reading this book' button. The browser's address bar shows the URL: https://ofs-da6416ee19f25543e989d50a422584aa.read.overdrive.com/?p=291462. The Windows taskbar at the bottom shows the time as 11:54 AM on 2/27/2015.

If a patron has problems with their account/device and cannot download the app, this is a good alternative.

The other option is using the OverDrive app. This works for both eBCCLS and eLibraryNJ. It is available for free download on whatever app store their device has.

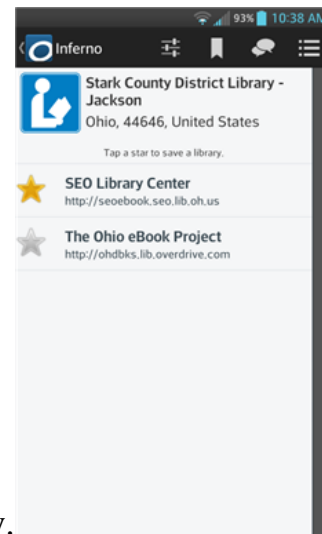

They will need to create an account with OverDrive. (This is separate from their library card barcode number which they will still have to use on eBCCLS or eLibraryNJ later.) This requires an email address.

After creating that or signing in they will have to find our library. There are two—Millburn (eLibraryNJ) and BCCLS Millburn.

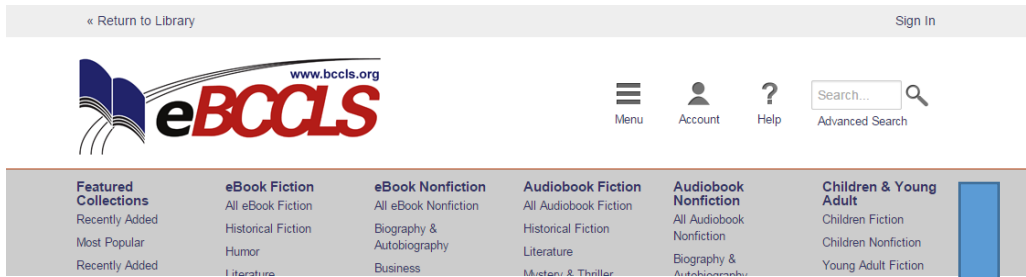

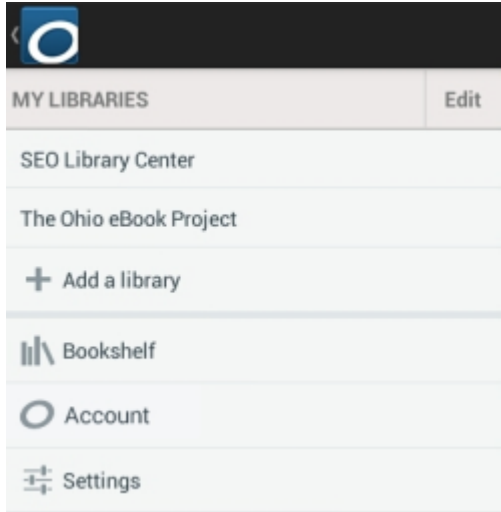

Tap the star icon to save library.
