KIDS OF ALL AGES!

That Chemistry Show
Thu June 6 | 6:30pm
Auditorium

A candle that moves water, a paper cup that won't burn, a firefly without fire. An atomic flash, weaponized sugar, a hydrogen bomb. Genie in a bottle, secret writing, elephant toothpaste... Yes! All these and more comprise **THAT CHEMISTRY SHOW**, an hour of incredible exploration led by long-time "mad scientist" Borislav Bilash! Get ready for amazement and lots of laughter as Borislav combines the worlds of chemistry and show business. Your own world will never be boring again!
