GRADE: _____

Children up to age 12 are invited to join our Children's Summer Reading Program! Due to the current situation, kids can participate entirely at home this year. Here's how it works:

1. Download and print out this paper log (there are 2 parts)

2. Start keeping track of how much you are reading! Write in your book names, the date you were reading, and how many minutes or hours in the columns. You can pick any age-appropriate books you like to read! They can be library books, your own books, e-books, or even audio books!

4. When you wish to record hours with us (it can be any amount, but usually at least 5-10 hours or more), email us at suew@millburnlibrary.org or megan@millburnlibrary.org so we can enter your totals! You can just email us your names and the reading totals, or take a photo of your log. Let us know if it's the first time you are emailing so we can enter your names into our database!

5. The more you read, the better your chances of winning prizes! Each week we are raffling off gift cards to local businesses. We will email or call if you win!

6. The last day to email your reading totals is August 28th! Most importantly, have fun reading!
