

Automatic Renewal is coming soon!

Starting February 14, 2020, BCCLS will automatically renew eligible items checked out to your library card.

How do Automatic Renewals work?

- Eligible items will renew automatically 3 days before their due date for the full loan period.
- You will receive a notification via email or text if an eligible item has been renewed.
- ***Notification is only via email or text, so be sure we have your current contact information in our system.***
- You can still renew eligible items at any time through your account at www.bccls.org or in-person at any BCCLS library.

An item is not eligible for Auto-Renew if:

- The item has reached its renewal limit.
- The item is on hold for another patron.
- Your card has expired.
- You owe \$10 or more on your library account.
- You have 10 or more items overdue.
