**PUBLIC COMMENTS:**

Mr. Gaylord asked if there were any Public Comments. Mrs. Kelly reported for the Friends. The Friends have not met since the beginning of March. The Little Free Library’s located throughout town have not been refilled since March 19, 2020. They will be refilled when the circumstances permit. When the Board is able to meet again they will discuss funding for the Summer Reading Program and Virtual Programs. All in person summer programming and the gala have been cancelled. The Board was able to get a refund for the insurance on the gala. The Annual Book Sale is cancelled for 2020. The book cart on the first floor is suspended until future notice. The Friends are part of the AmazonSmile program that donates 0.5% of your eligible purchases. They ask that everyone spread the word.

**DIRECTOR’S REPORT**

Mr. Banick reported that the last day the Library was open for business was Friday, March 13, 2020. It was expected that the closure under Executive Order 107 would only last two weeks. Once it became an extended closure the library opened its Virtual Library.

Mr. Banick reported on the Reopening Plan. The Township’s DPW will install all of the plexiglass barriers. Signage was done by banickgraphics and will be installed by the Library’s maintenance staff. PPE for staff is on order and will be on hand when the library reopens.

The Board asked how many books are still out. Around 16,000 items are checked out. The due date is not staggered so they will all be due when the Library reopens. To handle the returns the Library will open the book return bins before the building reopens. The Board then discussed ways to help alleviate the stress of the returns. They included emptying the returns multiple times a day, hourly if needed. Putting extra bins outside. This was decided not to be feasible for security reasons. Staff members being assigned outside to collect the books from patrons. This would be hard to implement with
inclement weather. Patrons returning items by their address (odd/even) or by last name. Mr. Banick will look into this one and report back to the Board. In closing the Board felt that one of the most important things is that the public be aware of the new rules regarding returns. They asked that the new rules be publicized in the local papers as well as on the Township’s and Library’s websites. Mr. Banick will see that this is done.

Mr. Banick reported that he gave a copy of the reopening plan and its phases to the Township Administrator, Health Officer, and Fire Chief/Head of OEM. The Fire Chief had some suggestions that have been incorporated. The Board agreed that the plan is good and liked the idea of a Phase Zero. They feel that it helps patrons understand how the Library will move forward when they are given the ok to reopen to the public.

Mr. Gaylord asked for a motion to accept the Reopening Plan for the Millburn Public Library as submitted. Mrs. Binder made a motion to accept the Reopening Plan. Mrs. Eisner seconded the Reopening Plan. All were in favor.

Mrs. Eisner asked if the Library was still going to be a polling station for the Primary Election on Tuesday, July 7, 2020. Mrs. Burstein said that she would ask the Township Clerk. The Board feels that the Library may not be an ideal site and that one of the local schools may be a better choice.
