MINUTES OF THE LIBRARY BOARD OF TRUSTEES MEETING

September 20, 2021

The Board of Trustees of the Millburn Free Public Library held their regular monthly meeting on Monday, September 20, 2021 at 7:30 p.m. via Zoom. Present were: Mrs. Binder, who presided, Mrs. Eisner, Mrs. Ipp, Mrs. Kelly, Ms. Sherman, Mrs. Miggins, Ms. Chenofsky Singer and Mr. Banick.

Mrs. Binder opened the meeting and read the Sunshine Law Announcement.

Mrs. Binder moved to hear and view the slideshow presentation on the upcoming renovation to the start of the meeting.

Present from Creative Library Concepts via zoom were Brad Kingsburg and Nancy Dalzell. Don Fiore of Heintz & Fiore Architects was also present.

The slideshow included renderings of the renovation for the Children’s Department, Teen Area, Information Services Department, and the Circulation Department. The slideshow also showed the furniture, flooring, and other furnishings that will be used in these areas.

Topics covered by the Board included the importance of site lines on the first floor, shades for the furniture and carpeting remaining tasteful, chairs in the children’s department not having casters on them and the tables having the electric hookups away from the children for safety reasons. Mrs. Ipp asked if the mobile shelving will have casters on them as well. She stated that her library at the Middle School has them and they are easily moved even with the shelves loaded. The Creative Library representatives said that the shelving will have casters. The shelves are made out of laminate which will help to make them easy to move. Mrs. Eisner asked if the windows in the children’s area will have shades. They will not in order to allow for as much natural light to come in as possible.

The representatives continued the presentation with an overview of the teen area, information services area, and the circulation area. The teen area will move locations on the first floor allowing for the unobstructed view of the library’s signature front windows. Mrs. Binder asked if the carpet color was going to be richer than what appeared on the zoom call. The colors seemed a bit blah. They will be. Mrs. Binder went on to ask for assurance that the flooring materials being used for the front entrance will not be slippery and pose a hazard to patrons. She also asked if they will be acoustically okay. They representatives said that they will be safe and sound deadening. The Board asked if the COVID 19 plexiglass shields will be affixed to the new furnishings. They will not. Mr. Banick stated that if they are still needed when the library reopens in 2022 they will be fastened and lowered from the ceiling. Mrs. Kelly asked about new signage. It is not
included in the proposal from Creative Library Concepts. They can put the library in touch with a company that can install new signage if the Board so desires.

Mrs. Binder and the Board thanked Mr. Kingsburg, Ms. Dalzell, and Mr. Fiore for the presentation. The zoom call ended.

Mrs. Binder then moved the meeting to New Business. The Board then discussed the budget adjustments needed for the renovation. The 2020 Library Audit is complete. The audit is clean with no recommendations. The new Fund Balance figure for the budget after the audit is $1,795,146.00. If the proposed adjustments are passed the Fund Balance on hand would be $2,147,046.00. this figure would include cancelling the grant application of $93,000.00. for the boiler replacement.

The Bid Opening for the renovation was held on Thursday, September 9, 2021. The lowest bid was from AB Design of Summit, NJ in the amount of $993,400.00.
