Books and eBooks for the program are on reserve and may be picked up at the Library. Mrs. Binder closed by encouraging everyone to register and pass the word on to their friends about the program.

Mrs. Kelly thanked Mrs. Binder for the Friends event at The Upton on Tuesday March 22nd. The event was a huge success for the Friends and the Library. Twenty-four new patrons signed up for library cards and the Friends got five new memberships. The community outreach of the day was tremendous. It went so well that other Upton properties in New Jersey will be scheduling similar events with their local libraries.

Mrs. Kelly reported on Programs. On Tuesday April 19th via Zoom the program will be “Create a Monarch Way Station in your own Backyard.” The presenter will be Rene Linden-Paparian of the Millburn Township Green Team. Over thirty-five people have registered. The program has a maximum of sixty participants. **DIRECTOR’S REPORT**

Mr. Banick reported on the Renovation. The renovation continues. Flooring and the first floor restrooms are complete. Track lighting for the Gallery is delayed. Service desks, end caps, and canopies for shelving are delayed. These items are all coming from the vendor Media Technologies.
Mr. Banick reported on the move back to 200 Glen Avenue. The last full day of service to the public at Annie Sez will be Monday the 25th. Packing will take place on the 26th and the move back to 200 Glen Avenue on the 27th. The Library will remain closed to the public from the Tuesday April 26th to Tuesday May 3rd. The Library will reopen on Wednesday May 4th at 10 a.m. A Grand Opening will be scheduled once all of the furniture installation is complete.

Mr. Banick reported on Personnel. The Labor Negotiations Sub-Committee met on the 24th. Once they hear back from the Township’s Labor Attorney they will proceed with the next step. The Part-Time Librarian position was declined by the candidate. Administration will take some time to perhaps rethink the position. A World Language Librarian is under consideration.

Mr. Banick reported on Statistics. National Library Worker’s Day was April 5th. Much work occurs behind the scenes that contributes to a successful library operation. These metrics have never been measured in the statistics report. Sixty-six invoices and thirty-four checks worth over $109,000 were processed in March. Two payrolls over $116,000 were processed as well. All were done by the Comptroller. Circulation Staff was responsible for processing over 660 bins from BCCLS in one month. 414 new titles were processed. Over 800 phone calls and 37 voicemails were taken. The current statistics report overlooks the staff who run the Library from behind the scenes and credit needs to be given here as well. In closing Mr. Banick said that the regular statistics have had better months. Visitation was down YTD. Circulation is down YTD. Reference interactions are up YTD.

Mr. Banick reported on Programming. Programming remains strong with over 1,500 participants for the month of March.

The Board stated that they would like to see the new statistics added to the monthly report. It is important to highlight these workflow numbers as well.

The Board asked if the mail has been rerouted to 200 Glen Avenue. It has.

The Board asked if the Primary voting in June will be held in the Children’s Department. The Township Clerk will do a walk through in the next few weeks to determine if the space is adequate to hold the voting in the Children’s Department. If it is not it will take place in Meeting Room A.

Mrs. Binder thanked Mr. Banick for his report.
COMMITTEE REPORTS:

The Labor Negotiating Sub-Committee reported that they are waiting on the Township Labor Attorney’s recommendations before moving ahead to the next step.

The Building & Grounds Committee reported that the Recreation Field lighting has been installed by the Township. An on-site generator is being used until the electric is hooked up to the power pole by the train tracks. In the event that the power is unable to be hooked up to the pole by the train tracks the Township will look at hooking up the power supply to Library. Mrs. Kelly asked if the partitions for the first-floor restrooms are new. They are. Mrs. Binder asked if hooks will be installed for ladies to hang their purses. Yes, they will be installed. Mrs. Kelly asked about the installation of the new garden under the spiral staircase. This will be done by the Friends after everything else is in place on the first floor. Mrs. Kelly said that after the Friends Book Sale is complete they will have a better idea of how much they can contribute to the garden installation. Mrs. Kelly said that Millburn is now in the red zone for COVID-19. She asked if masks will be mandated in the Library. Mrs. Miggins stated that they will not. The Township follows the Governor’s lead. She went on to say that as of the last Township Committee Meeting all plastic guards have been removed in all other Township buildings. Masks are not required in any Township buildings. This includes the Library.

There was no Old Business.

Library Board Trustee Amy Ipp is retiring from her position at the Millburn Middle School at the end of this school year. She has informed Mr. Banick that she is willing to stay on the Board for the short term. This decision lies with the Superintendent of Schools, Dr. Burton. This is a statutory appointment and the final decision on who will be appointed is Dr. Burton’s. The Board congratulated Mrs. Ipp on her upcoming retirement and thanked her for her service to the Board. Mrs. Ipp thanked the Board for their kind words.

The Board went into Executive Session at 8:30 p.m. to discuss labor negotiations and pending legal matters. The Board came back into Regular Session at 9:00 p.m.
