The coordinated program on April 19th, Milkweed seeds placed in the Little Free Library at Taylor Park for people to take was a great success as well. Mrs. Kelly received wonderful feedback from happy patrons. They received a large donation from a patron who was pleased with Milkweed seeds program. Going forward the Friends would like to try to stay in step with other Township programs with a complimentary one of their own. The Friends had fun at the Millburn-Short Hills Street Fair on Sunday April 24th. Their booth where they handed out books and flyers regarding Friends events did well.

On Sunday May 22nd the Friends attended the South Mountain Civic Association Street Fair commemorating their 100th Anniversary. Museum Night was held on Monday May 16th in person. Thirty-five people attended the program titled “Matisse’s Universe: Uncover the Secrets of The Red Studio with Larissa Bailiff.” The moderator for the evening Larissa Bailiff was wonderful. The Friends are supporters of shopping locally. The bag sale will be extended to

Wednesday June 8th. In closing Mrs. Kelly said that after the bag sale they will donate what they can and recycle the rest. Mrs. Ipp asked if the Friends have their membership information available at the Little Free Libraries. They do not. The Board suggested that they laminate and adhere a QR Code to the Little Free Libraries in town with the information. Mrs. Kelly liked the idea and will proceed accordingly.

Mrs. Binder thanked Mrs. Kelly for her report.

Mrs. Miggins reported on a Mayors meeting she attended in Atlantic City with representatives of Governor Murphy. At the meeting Mrs. Miggins voiced her displeasure with the recent distribution of grant money from the New Jersey Library Construction Bond Act of 2017. She informed the representatives that no matter the community, people do not like to be treated disrespectfully. She also told the representatives that the State must provide clear instructions for filling out grant applications. This information may have helped the Millburn Library write a better grant application. When Mrs. Miggins receives information on possible available grants for the Township she passes the information to the Township Business Administrator who forwards it to the right people to write the grant application. Mrs. Miggins asked Mr. Banick to forward her any information in the future for grants that may be available for the Library. She will forward it to people who can help with the applications.
