A verbal acceptance was received from the successful candidate. Once the formal acceptance letter is received she will begin work the week of September 26th. The Maplewood Librarian will begin work here two days per week while the Maplewood Library’s renovation is ongoing. This agreement will be renewed every six months.

Mr. Banick reported on Finance. The Library received a “clean” audit for the year 2021. Copies are available upon request. Patricia Giambattista/Comptroller is responsible for all the record keeping, finances, and compliance issues. She has always received a good audit and this year is no exception. Mrs. Eisner went on the record to thank Mrs. Giambattista for coming in on the Sunday night of the fire. She was first on the scene and stayed until the issue was resolved. Mrs. Miggins agreed that she is great. The Board thanked Mrs. Giambattista.

**COMMITTEE REPORTS:**

The Building & Grounds Committee reported that the renovation is complete, the AC in the building has been repaired, the elevator repairs are still in progress, and the boiler is ready for the season.

The Negotiation Committee reported that they are waiting for a potential meeting with the CWA Local #1031 at the end of September.

The Personnel Committee reported that the Maplewood Librarian will begin work in Millburn in October. The personnel manual is being prepared by the Township Attorney. Once it is ready the sub-committee will review it and report back to the full Board to recommend its adoption.

The Strategic Planning Committee reported that they spoke over the summer months. With the full Board’s approval, they would like to hire a consultant to prepare the plan. The Board asked that they come back with a price range so that a budget can be put in place for the service.

**OLD BUSINESS:**

There was no Old Business.

**NEW BUSINESS:**

The Board held a discussion on tutoring in the Library. Issues discussed included the following:
• Noise levels
• Benefits of allowing tutoring in the Library for the Township’s youth
• Registry for users
• Privacy rights
• Time limits
• Looking at how similar Township Libraries handle the issue

In closing the Board requested that the Township Attorney get more information regarding their concerns before any decisions are made regarding tutoring. The Library will continue to follow past practices for the time being.

The Board held a discussion of the Meeting Room Policy. Currently there is a moratorium in place on renting the meeting rooms. The Library’s Meeting Room Policy was brought up at a recent Township Committee Meeting. OPRA requests showed that a room was rented multiple times and the appropriate fees were not collected by the Library. The current meeting room policy was also being violated. Going forward Mr. Banick will oversee the staff member responsible for the meeting room rentals to insure compliance. People booking the meeting rooms will also be informed that all meetings are open to the public and are not transferable. Bookings going forward will only be done three months in advance.

The Township Attorney has recommended lifting the moratorium and enacting Resolution #2022-09-02 tonight that revises the current Meeting Room Policy.

The Policy Committee will then take a look at the Meeting Room Policy and recommend any adjustments to the Full Board in October or November.

Mr. Banick then read Resolution #2022-09-02 “Resolution Amending The Millburn Free Public Library Meeting Room Policy” into the record.

Mr. Banick asked for a motion to accept Resolution #2022-09-02 as read. Mrs. Kelly so moved. Ms. Chenofsky Singer seconded. Mrs. Binder called for a voice vote.

Mrs. Binder asked if there was any further business before the Board before adjournment.
